

Logan County, OH Land Bank

Date: _____

REQUEST FOR ACQUISITION OF NON-PRODUCTIVE LAND

The Logan County Land Reutilization Corporation (“LCLRC”) is an Ohio community improvement corporation organized under R.C. §1724 and an electing subdivision as defined under R.C. §5722.01. The LCLRC has been designated by the Logan County Commissioners as the county’s agent to facilitate the effective reutilization of nonproductive land situated within its boundaries pursuant to R.C. §5722.02.

Pursuant to this authorization, the LCLRC, as an electing subdivision, hereby notifies all necessary parties of its request to acquire the following nonproductive land situated within Logan County upon the foreclosure of the lawful owner’s right of redemption. This request shall further serve as notice that acquisition of this nonproductive land is necessary to accomplish the mission and purpose of the LCLRC, as required by R.C. §5722.01(F).

Parcel(s): _____

Address(es): _____

Vacant

No buildings or structures are currently present upon the property.

Abandoned

Buildings or other structures are present, but not in the occupancy of any person at the time of the initiation of foreclosure proceedings, and the acquisition of this property is necessary for an effective land reutilization program.
